

<b>APPENDIX TO THE BUYING CONTRACT FOR NON-FERROUS METAL AND PLASTIC WASTE</b>
--

Herewith you will find a list of following forbidden materials, joined to the commercial contract:

	<b>List of forbidden materials, metal scraps</b>	
1	Parts containing mercury (bvb: lamps with retro-lighting)	
2	Batteries and accumulators	
3	Cathode ray tubes	
4	Screens with liquid crystals (LCD)	
5	Neon tubes	
6	Condensers with PCB or PCT	
7	Toner cartridges (ex. photocopiers, fax or printers)	
8	Elements that contain cadmium, lead or flame retardants with bromide	
9	Cooling circuits with fluorine chlorides or halon (ex. CFC, ...)	
10	Underground electric cables with tar	
11	Elements containing hydrocarbons (ex. Motor oil, ...)	
12	Waste from asbestos and parts containing asbestos	
13	Parts containing radio active materials	
14	Electrolytic condensers containing dangerous materials (height > 2,5 cm and diameter > 2,5 cm)	

	<b>List of forbidden materials, plastic scraps</b>	
1	<b>All thermosetting polymers.</b> Examples : Epoxy, Formica, Tufnol, Bakelite, every types of foams (Styrofoam, acoustic insulation,...), small rigid objects (shirt button, ashtray,...), tape, glue tube.	
2	Plastics with brominated flame retardant (PC screen, TV, GSM,...)	
3	Burnt plastics	
4	Photographic equipment	
5	Rubber (shredded tires, fragments,...)	
6	Medical equipment	
7	Big-Bags pressed	
8	Asbestos	
9	Not sheared bottles	
10	Household waste	
11	Clothes	
12	Hermetic barrels (big plastic barrels,...)	
13	Fiber optic	

Moreover, the goods intended in the contract must be free of all inert waste materials (soil, brick or concrete) and of all household waste (cans, paper, plastic, ...).

We wish to call your attention to the technical requirements of Directive 2002/96/CE regarding the storages of waste of electric and electronic appliances before their processing: these waste materials must be stored on a surface with impermeable floor and facilities for collecting leakage.

By showing your respect for these directives, you show respect for our environment.
